The American State Bank Sports Complex, an indoor turf complex, is a joint venture between Dordt University and the City of Sioux Center. It is a 250-by-470-by-75-foot air-inflated dome over artificial turf. It has an attached 8,000-square-foot entry building with a concession stand, seating area, restrooms, and more. The facility draws over 250,000 visits annually through athletic competitions, training, wellness activities, and events.

The turf can be used for two regulation softball fields, a regulation soccer field, a regulation football field, and two 9v9 soccer fields for tournament or youth play. It can also be used for wellness activities, birthday parties, walking/jogging, private rentals, and community events.
